Spanish Courses

/THE COURSE

The course is based on **6 modules**, increasing gradually in complexity, each including units, lessons, and tests for the student to complete, as well as a Final Test which measures the 6 main skills studied throughout the course (Speaking, Listening, Reading, Writing, Vocabulary, and Grammar).

/ 130 Lessons

/ 210 study hours

By completing this course, the student will be able to understand a wide variety of texts in Spanish with a certain level of demand.

In the same way, she will be able to recognize implicit meanings in them. In addition to this, the student will be able to make flexible and effective use of the language for social, academic and professional purposes.

/ 7 Unit Tests

/ 1 Final Test per module

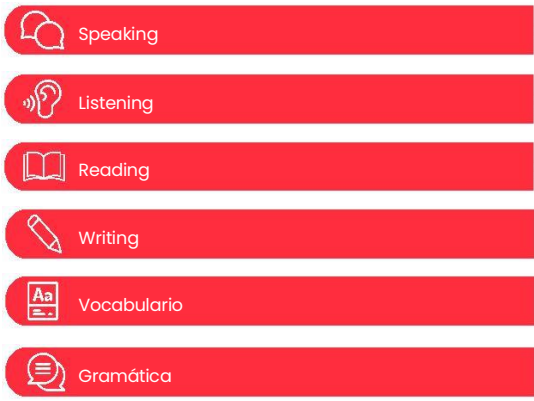

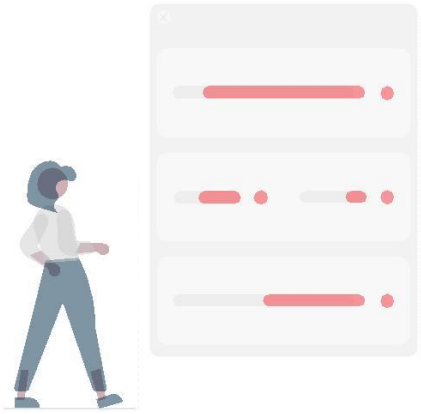

The student will have unit tests to put into practice and reinforce the knowledge acquired at the end of each lesson together with a final test at the completion of each of the courses.

Student's progress:

The student will obtain constant feedback by measuring the level in each of the 6 skills worked on during the course, together with the Final grade obtained at the end of the course.
